RE: Change Of Address Update For FCC Docket 00-244

Dear FCC Commissioners and Staff,

I am writing this letter on behalf of THE AMHERST ALLIANCE. Amherst, founded in 1998, is a nationwide, Net-based advocacy group, working for more open airwaves.

Amherst has filed Written Comments and Reply Comments in FCC Docket 00-244, which is one of 4 closely related "media ownership Dockets". These Dockets concern whether the FCC should raise, retain or reduce regulatory restrictions on how much of the media a single institution should be allowed to own. We will also be filing a Petition For Reconsideration in these 4 Dockets, challenging the FCC's June 2 decision and seeking restoration -- or, ideally, reduction -- of the previous limits on TV ownership and media cross-ownership. We are grateful that the radio ownership limits were not raised in June, but we contend that the previous limits should be rolled back.

In any event, the record should be updated to reflect the following new information:

1. Amherst has recently acquired a Post Office Box, which serves as its new address. As noted above, the new address is: P.O. Box 186, Cheshire, Connecticut 06410.
2. The Members of Amherst have recently voted to change my title from "Attorney For THE AMHERST ALLIANCE" to "President, THE AMHERST ALLIANCE".

Please incorporate this new information into Docket 00-244. Thank you.

Sincerely,

Don Schellhardt
